

Release Notes - Build 2.0.0.214 (September 11, 2025)

Welcome to Titan Neo Server

Installation Process

Please review the [Minimum System Requirements](#) located at the bottom of this document to ensure compatibility with your environment.

To install the software, double-click on the installation program and follow the instructions in the installer. There is no need to Run-As-Administrator. The installer will check to ensure that adequate permissions are available to install the software.

If you encounter any issues while running this software, please report them immediately to our technical team through our online helpdesk. The helpdesk is located at <https://helpdesk.southrivertech.com/>
